We also offer the following packages:

Gown Protection Plan – For services up to two days before the wedding

- **For New Gowns - \$99:**
 - Includes pre-wedding press or steam,
 - Spot cleaning for small blemishes,
 - Minor repairs (loose hem or seam) and
 - \$25 Off Gown cleaning and preservation after the wedding
- **For Previously Worn or Sample Gowns - \$99:**
 - Includes same services as those listed above for New Gowns, however, the gown must have been cleaned before the wedding

Before & After Package – \$100 Off the quoted prices:

1. We will press/steam your gown before your wedding,
2. Make minor repairs before the wedding (loose hems or seams), and
3. Clean and preserve (or clean and press) your gown after your wedding
4. Alterations Package – With \$75 or more in gown alterations, we will provide spot cleaning for small blemishes for no charge and gown pressing/steaming for \$25 off the quoted price

Price Considerations

Pricing variables include fabric, construction issues such as layers, train, beading and designer, extent of dirt and stains on the gown and special cleaning techniques required to assure no damage to the gown. We will gladly provide a price quote after we inspect the gown.

100% International Guarantee against yellowing of the gown and caramelized sugar stains.
